Weekday shifts are 4:30 pm - close (appx. 9:30 pm)
Saturday shifts are 10:00 am - 2:30 pm and 2:00 pm - close (appx. 6:30 pm)

Some guidelines to follow/information to know are:

1. You will need 7-8 adults, from start to finish, to fully staff your shift
2. No children under the age of 13 are allowed in the concession stand (no more than 2 at one time and only if they are working at the candy counter) so please make arrangements as necessary
3. We appreciate your time and will honor each adult that works the full shift with one free meal
4. If you are working a closing shift you will be responsible for seeing to it that everything is clean and stocked, ready for the next day
5. There is an overlap on Saturday shifts in order to have the smoothest transition possible between the 2 teams
6. Please be on time
7. Please know how important this is and commit yourself to helping...we don't want to have to close the concession stand because a team doesn't show up to do their shift
8. Have fun!
